

Application No. 10/576,332
Amendment dated January 26, 2011
Reply to Office Action of July 26, 2011

AMENDMENTS TO THE DRAWINGS:

The Examiner has objected to Figs. 3, 4, 21, 25-36, 38 and 39 as being illegible and has requested that new sheets be provided.

Applicants have reviewed all drawings and believe that there can be improved clarity in each drawing. Accordingly, Applicants have provided all new Figs. 1-39, which have been redrawn to provide a clearer image and have been marked as “Replacement Sheet” pursuant to 37 C.F.R. § 1.121(d).
